Re: V-16-83

Dear Mr. Rochat:

Your request for a variance to allow an addition to an existing restaurant, which would extend the north side property line where a five foot (5') setback is required on property located at 401 South 6th Street in Zoning District R-4; and for a variance to allow a patron parking lot where such use is not permitted, on property located at 408 South 7th Street in Zoning District R-3 was considered by the Board of Zoning Adjustment at its regular meeting held April 28, 1983.

It was voted by the Board of Zoning Adjustment to APPROVE your request as being in accord with the general spirit and purpose of the Ordinance, subject to the following conditions:

1. Conformance to the plot plan and elevations.
2. Landscaping and a permanent underground sprinkler system shall be provided as required by the Planning Commission and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler systems shall be cause for revocation of a business license.
3. Submittal of a landscaping plan prior to or at the same time application is made for a building permit, license or prior to occupancy.
4. All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets.
5. Satisfaction of City Code requirements and design standards of all City departments.
